

Kalapana Seaview Estates Community Association (KSECA) Coconut Tree Maintenance Request for Proposals (RFP)

We are seeking regular maintenance of coconut palm trees at our community park.

This project will require cleaning and removal of debris on approximately 118 full grown coconut palms and 36 keikis at our community park located at **12-7030 Kalihikai St, Pāhoa, HI 96778**.

Requirements (unless a better solution is offered & approved):

- **Must be bonded and insured**
 - Liability Insurance - To be maintained during duration of contract by contractor.
- Cost assessment for the chipping and Hauling of mulched fronds & inedible coconuts to the mulch area, behind the pavilion located at 12-7023 Nahokulele St.
- Cost assessment for removal of debris
- **Edible Coconuts delivered to pavilion area for residents to enjoy**
- If progress is not happening efficiently, the KSECA board of directors can vote to terminate the remaining contract.
- A yearly contract and budget will need to be re-approved by the KSECA Board of Directors for renewal each year.

Proposals must include:

- Letter of intent
- Contractor qualifications
- Itemized budget plans.

Bids must be received **before** the deadline: **August 18, 2015**

Submit bids to KSECA by email: **board@kseca.org**

or mail:

**Kalapana Seaview Estates Community Association
12-7017 Kalihikai, Box 4537
Pahoa, HI 96778-7842**
