

## Kalapana Seaview Estates Community Association (KSECA) is issuing two Requests for Proposals (RFPs)

### **Fire Ants in our Parks**

First, we are soliciting bids for anyone interested in a contract to treat our parks for fire ants (LFA). This could become a continual contract, subject to continual approval as part of our park maintenance. Please submit a bid to the Seaview Community Association Board. We can be reached at: [board@KSECA.org](mailto:board@KSECA.org)

### **Seaview Signs**

Second we are interested in anyone placing a bid to repair/renovate the two main Seaview Estates signs located at the front park. They would need to be refinished, repainted and generally waterproofed. Any damage would need to be repaired. All inquiries and bids can be forwarded to [board@KSECA.org](mailto:board@KSECA.org)

We give informal preference to community members in any monies spent. Worktrade in lieu of paying community dues is also an option in any RFP. There are also regular work parties to clean up and maintain our parks in which residents may perform worktrade in lieu of annual community dues. Volunteer organizers for such work parties should attend our monthly Board Meetings on the first tuesday of each month at 4:30 (typically), they are held at the upper park pavilion and are a forum for any resident to address the Board.

As always information about ongoing community and board business is available at [KSECA.org](http://KSECA.org) the Seaview Homepage. Any inquiries or desires to volunteer time or efforts to maintaining, improving, and building our community can be addressed there.
