

Park Ohana Work Days: - Helen suggests four per year to coincide with Equinox and Solstice sun quarter days. Tentative date for next work party is September 20, 2003. Plan great food for workers. She will work with Athena and Lorraine,

Improve Web Site: - Jim will bring in suggestions at next meeting.

**Library** -- The Board wishes to thank Cyd Hoffeld for making it possible for Seaview's little library to receive the large amount of books donated to the Big Island Aids Project from the Kilauea Book Store that can no longer be stored by them. The library really looks like a library now. It is filled now with interesting, new books and is very popular. People are reading books at the Pavilion and are taking them home. Cyd said she will keep up the stocks as long as they last.
