## 6. Board Report

### a. Sunday Front Park Issue:

- Jhayne said that there was a general consent at the Special Meeting to end the Sunday Lawn Party because of liability issues, Patti disagreed by saying that there was no consent, but people were divided and that there was rather a consent people wanted the vendors to be gone but the drumming to go on. Robert disagreed and stated that there were 500 people or so when this Board was voted in, after the vendors were gotten rid of there were now maybe 200-300 people. And also he stated that accidents happen and that we are responsible. He said just wants the park to be safe. And that nobody get everything he wants, there needs to be compromise.
- Skyler stated that we are in violation of State and County ordinances and that they are keeping record.
- Steve asked about his personal liability. Some residents believe that a lien can only be put on the park(s), others stated that not to be the case and that every owner is personally liable and a lien could be put on his/her property. Kevin pointed out that our liability insurer will refuse to cover an incident on a Sunday because it is not covered by the scope of our insurance.
- Laurie suggested to put "at your own risk" signs up. Jhayne said there was no need for such signs because they would signal that the lawn is open to the public but suggested that "no trespass, private property" signs offer a bit of protection.

### b. Pavilion Park:

- Evaluation Volunteer Freebox Maintenance: Kevin thinks to be more volunteers taking care of the Freebox. Aileen volunteered her help and suggested to cut the bushes around the corner of the pavilion in front of the Freebox, Doug volunteered to do that. The volunteers will form a committee under Jeranium and Laurie's leadership.
- Bathroom: Jeranium leaves the bathroom open 24/7 but locks gate and Freebox at dusk. She will not come at 7pm to lock things up. Sign on the side of the bathroom building reads 7am to 7pm. The Board will inquire with the police whether firm hours are required or if dawn to dusk suffices.

## 7. Old Business
