

BOARD BEST PRACTICES & BOARD RULES

WELCOME STATEMENT

Aloha All,

Welcome to the KSECA Board of Directors meeting. We want to thank everyone for being here and participating in your community governance (the overseeing and maintenance of the parks).

We ask that you participate with Aloha, keep your statements or questions to a reasonable time limit of 5 minutes, and remember that we, too, are community members and volunteer our time to serve on the Board. We encourage your participation, however, we follow Robert's Rule of Order and therefore, do not voice your opinion until the chair calls on you.

Please respect the process of the meeting and work with us to conduct the business of the Community with positive cooperation.

We ask that anyone wishing to bring an issue to the Board Meetings have a discussion with the KSECA officer who is in the best position to assist (Board President, Clerk, or Treasurer) by writing to board@kseca.org

BOARD BEST PRACTICES

Adopted March 13, 20

A. Decorum – described as behavior that is appropriate/acceptable for BOD and community members
Unacceptable behaviors include: bullying, abuse of power, angry/loud voice (yelling), physical or verbal (lawsuits, physical) threats, cursing, physical contact, belittling, out of seat moving toward another, gossip, use of demeaning terms

Acceptable and encouraged behaviors include:

Engaging in respectful communication – listen, respond in turn when recognized by chair, limited or no cross talk (side conversations)

Respecting one another

Uplifting and supporting one another as we are all working toward the same goal (this does not mean that we agree but that we agree to disagree respectfully)

Consequences:

1st. warning from the chair, possible statement – “This behavior is not acceptable”

2nd. short recess in response to erratic behavior (requires a motion that includes a time length that is specific to the meeting situation) to will allow all to regroup

3rd. recess meeting to reconvene on a different date/time

BOARD BEST PRACTICES & BOARD RULES

B. Meeting efficacy

Begin on time – when quorum has been established

Adopt a statement of welcoming/purpose (similar to that used by Fern Acres) to be read at the beginning of each meeting

Utilize an agenda that meets BOD needs and needs no adjusting

Call on BOD members before calling on community members

Agree to and follow through with time frames for obligations (individual and BOD)

Clear and concise delineation of duties, responsibilities and time frames

Limit knee jerk responses by:

Adding to the next month's agenda

Utilizing "Duly Noted" and "Point of Order"

Limit off topic discussion – stay on topic

Use clear, concise language and limited personal opinion

Utilize recessing and committees to enhance efficacy

C. Communication

Use reply to all when responding to website queries and when appropriate when responding to emails received by the Board.

Encourage members to contact the BOD through venues other than FB

BOD approval of all documents that are sent to membership – both for content and proofing once the final is ready to go out (should there be a mechanism for this?)

Utilize a yearly calendar that includes meeting dates, time lines and significant dates (insurance renewal, standing pavilion reservations etc.)

*Tweak as necessary, mechanisms for effective communication between members and BOD specifically - how to have concern included on the agenda

*Tweak as necessary mechanism for pavilion reservation
