

President's Report

Warm Aloha from Kalapana Seaview Estates, a place we all hold special in our hearts. To all new residents, welcome. I have been a resident of Seaview for 18 years and the Puna area for over 40 years. I served on KSECA's BoD for 4 years from 2004-08; two of those years as President.

Kalapana Seaview has grown through lava flows, Covid shutdown and other crisis. This area is special because it is naturally beautiful, relaxing and is home for a diverse people. Seaview does face its challenges. In 2018, lava flows covered a large part of lower Puna. Fortunately the flows did not enter Seaview but made living here difficultly because of vog from the eruption. Many people moved, most, temporarily. Since so much land was taken, it turned many peoples' attention to Seaview. Then, in 2020 we went through the challenges of Covid and many things haven't returned to normal.

All these challenges took a toll on KSECA Board of Directors making it hard to have Board Meetings and the annual AGM meetings. Things deteriorated to where early last year there was not a legal functioning BoD. There was only one person remaining trying to function as the Board. Some of the concerned long term residents/ex Board members organized a Special Meeting at which a complete new Board was legally elected and is currently serving until the AGM in April 2023. I want to extend a huge Mahalo to each Board Member in that we each see the beauty of our community and do our best to make it safe and healthy. The new Board has been tasked with getting the association back on its feet and functioning as it was meant to.

KSECA oversees 3 beautiful parks: One with a pavilion and bathroom and another at the entrance of the subdivision that overlooks the ocean. 1) There is an ongoing discussion whether the bathroom should stay open 24/7 or be locked up at night. It has been vandalized numerous times and yet some feel it is important to leave it unlocked and others disagree citing the invitation of loiterers; 2) Our beautiful front park overlooking the Pacific Ocean is a key place for ocean viewers in hopes of seeing whales/dolphins and just enjoying the peaceful beauty of Seaview. But, a number of years ago a small group of performers gathered on Sundays to drum circle. Unfortunately, this gathering has grown to over 1,000 people. Seaview landowners each own 1/933th of the parks and may be legally liable for park activities. With the help of the police and Department of Health we have successfully removed over 30 vendors, dropping the attendance in half. This area does not have adequate parking/facilities for large crowds. We still have obstinate trespassers each Sunday in the park until after dark. Some property owners support this but most don't.

It is important that all landowners are aware of our bigger challenges. I hope all of you find this newsletter informative and enjoyable. If we all pitch in to make our community the best it can be, we will never regret the challenging times because it will be worth it. I ask all of you as part owners of this beautiful community to share your thoughts about the community through our website. Please be active in voting by proxy if you will not be present at the AGM. All of our voices deserve to be heard.

-Mahalo, Robert Stearns, President, KSECA

Due April 30, 2023

Treasurer's Report

The Treasurer's report reflects some of the challenges that arose from the consequences of previously not having a full Board. Due to financial constraints the current Board of Directors had to make a lot of hard decisions. Some maintenance programs for our parks had to be temporarily discontinued and raises requested by our contractors could not be granted.

The profit/loss statement shows a loss of \$2,692.39. Realizing the shortfall in our income and potential unforeseen expenses we have had to make the tough decision at this time to raise the dues to \$100 per year. In my opinion this is still a fair amount for the approximately 933 landowners for maintaining and improving our three parks and paying for all other association expenses.

Based on County and State mandates we may have to replace the cesspool at the Pavilion Park sooner than expected with a septic system. This will be a major expenditure for the association. Questions will be answered at the AGM, please keep questions and comments constructive to help find good solutions for our challenges moving forward.

Thank you.

- Kevin Sulgit, Treasurer

Dues! Raise? Why!?

Since this Board of Directors was elected in July 2022, we have been faced with numerous issues that hadn't been dealt with. We are concerned about not being able to meet our financial commitments. Raising dues is not something any Board truly wants to do but with our fiduciary duties to the landowners, it is essential to raise them to \$100 annually to ensure our responsibilities are met. Here is a list of reasons to raise the dues:

- * Inability to do a full trim on coconut trees, fruit trees in the parks and to continue the fire ant treatment.
- * Notified by EPA that we are not in compliance with current state rules on cesspools/septic systems. Upgrading to a septic system will eventually cost us in the 10's of thousands of dollars to install.
- * Inability to give deserved raises to our contractors who help maintain our parks. Some took cuts in their bids.
- * Need to replace a number of the Ohia posts that are the supports for the pavilion.
- * Overdue for a financial audit and need to address our delinquent taxes that have not been filed since 2018.
- * The playground is in reasonably good condition but could use some needed maintenance now and will need more investment to ensure the safety of the children of the community.
- * Need for security to address vagrants sleeping in the Pavilion, Mailbox Center or camped out in the oceanfront park.
- * Need to replace our long standing bookkeeper who is stepping down from her position.
- * Serious consideration of hiring a person to do secretarial duties for the Association

The last raise in dues happened in November of 2010. They went from \$25 to \$50. This raise to \$100 dollars is warranted and necessary. Considering the effects of Covid, particularly the last several years have been tough on many people in many ways. The Board felt it appropriate to forgive the dues for years 2020, 2021 and 2022 for those people who weren't able to pay their dues but we appreciate everyone who did pay their dues, after all the maintenance of the parks and all other association business had to continue. We did an enquiry into the annual dues in other Puna subdivisions and they ranged from \$104 to \$396.

That...Is...Why.

Thank you, Robert Sterns, President

**Proposed Kalapana Seaview
Park Policies and Rules**

Dear Friends,

As you may know, there have been a lot of unwanted activity taking place in our parks and pavilion. The Board has received a multitude of complaints from residents regarding vagrants sleeping at the pavillion, at the mailbox or camping out on the front Seaview lawn. We have also had numerous complaints about the trespassers on the front lawn on the Sunday afternoon drum circle. KSECA has been working to resolve these issues. In our efforts, we have been working with the local law enforcement who have asked us to list local rules and policies approved by the AGM that the police can help us enforce. In an effort to bring some safety and order to our parks, especially on Sundays, we have made the following suggestions for the AGM to vote on at our next AGM meeting on Sunday, April 30, 2023. Thank you.

Policies:

1. Park and Lawn areas are closed to the general public unless accompanied by a landowner or resident.
2. For any gathering the sponsoring landowner/resident has to remain with guest(s) and is responsible for all guest(s) to leave at the end of gathering or park closing.
3. The sponsoring landowner/resident is responsible for the conduct of their guest(s) and any damage to park property while in any of the Kalapana Seaview Parks or Lawns.
4. The sponsoring landowner/resident is responsible for all trash and waste removal after a park or lawn visitation.
5. Any gathering of more than a total of 25 people (residents and guests) utilizing the Pavilion, Lawn and Parks will need to submit a written request form via the KSECA website no less than 30 days prior to gathering for approval by the Board of Directors. The permit issued for the gathering needs to be displayed in plain sight.

Rules:

1. Private Park, closed to the Public
2. No Trespassing
3. Park and Lawn hours: 7am to 7pm
4. No Vending, no commercial activity
5. No Loitering
6. Pets must be accompanied by owner and leashed
7. No climbing coconut trees
8. No Camping and overnight parking
9. No Fires & Fireworks
10. No loud Music
11. No Drugs & Alcohol
12. Parking with Permit only

PROPOSED BYLAW CHANGES: These Bylaw changes must be voted on at the next AGM:

Proposed deletions are stricken through and proposed additions are underlined:

1. **AUDITS:** Article I, Section 4, F: Modifying audits from every 2 years to every 4 years;
2. **NO NONOWNERS ON THE BOARD:**

Addendum to the 2023 Newsletter

A. NOTARIZATION of PROXIES as presented in the Newsletter

AGM ELECTIONS, SUNDAY, 4/30/2023: Legal Identification Required

Proxy Form Deadline

Completed and notarized Proxy Forms must be submitted by

Thursday, April 27th, 4:30pm

For exception to notarization, please see KSECA Website

Due to concerns of the use of non legitimate proxies at past AGMs the Board felt it necessary to require the notarization of the proxies.

The exception to the notarized proxy would be to have a notarized document that contains ALL of the following information as stated in Article II, Section 1. C. of the Bylaws:

1. Owner of Record's printed name and signature and contact information.
2. Tax Map Key (TMK) number of KSE parcel verified by the County of Hawaii Real Property Tax Office records.
3. Name of the designated agent and contact information.
4. Length of time and purpose for which the authorization is given.

B. PROPOSED BYLAW CHANGES as presented in the Newsletter

1. Audits:

Article I. Section4, F: To provide an audit of the Association income, expenses and assets every ~~two~~ four years and to make a copy of such audit or inspection available to members upon request and that such audit and inspection be made by a Certified Public Accountant or qualified accountant.

Reasoning: Audits cost \$4,000-5,000 and are not necessary for a small incorporation such as ours to be done every 2 years, 4 years will provide a sufficient oversight of our finances.

The following 3 pages refer to the next 2 Bylaw change proposals.

2. No Non-Owners on the Board:

- a. Change definition of Director
- b. Change definition of Member
- c. Board members may not vote by Proxy

Aloha KSECA Board,
Please include this proposed amendment to the bylaws in the next newsletter so that it can be voted on at the next AGM.

Proposed Amendment
Article 1, Section 3: Definitions
Change: definition of Director

From: **Director:** Means a member of the KSECA Board of Directors whose eligibility is defined by being a Member (any owner of record of one or more parcels of land in Kalapana Seaview Estates (KSE) or any person so designated by a revocable, written and notarized authorization).

To: **Director:** Means a member of the KSECA Board of Directors whose eligibility is defined by being a Member (any owner of record of one or more parcels of land in Kalapana Seaview Estates (KSE)

Strike- through to track changes: **Director:** Means a member of the KSECA Board of Directors whose eligibility is defined by being a Member (any owner of record of one or more parcels of land in Kalapana Seaview Estates (KSE) ~~or any person so designated by a revocable, written and notarized authorization).~~

Rationale:

Non-members, aka non-owners, should not be allowed to make decisions about other people's property. They may create liabilities for owners without having anything at stake themselves. There is no need for their involvement, nor do they have any vested interest. Including non-owners on the board introduces the possibility for conflicts of interest, obviously increasing our collective risk, while providing no clear benefit to owners.

Aloha KSECA Board,
Please include this proposed amendment to the bylaws in the next newsletter so that it can be voted on at the next AGM.
Mahalo,
Camilla Dulac

Proposed Amendment
Article 1, Section 3: Definitions
Change: definition of Member

From: **Member:** Means any owner of record of one or more parcels of land in Kalapana Seaview Estates (KSE) or any person so designated by a revocable, written and notarized authorization presented to the KSECA Clerk from the owner of record of that particular KSE parcel to represent the interests of said owner.

To: **Member:** Means any owner of record of one or more parcels of land in Kalapana Seaview Estates (KSE) .

Strike- through to track changes:

Member: Means any owner of record of one or more parcels of land in Kalapana Seaview Estates (KSE) or ~~any person so designated by a revocable, written and notarized authorization presented to the KSECA Clerk from the owner of record of that particular KSE parcel to represent the interests of said owner.~~

Rationale:

For most of KSECA's existence, only owners were allowed to be board members. A few years back, this bylaw was amended to allow non-owners on the board. This has resulted in a raft of lawsuits and other problems. Owners have unique liabilities and must be able to safeguard their property interests without influence from non-owners. This proposed bylaw amendment returns KSECA's bylaw to its original language. There is simply no need to look beyond the community of owners for board members.

Aloha KSECA Board,
Please include this proposed amendment to the bylaws in the next newsletter so that it
can be voted on at the next AGM.
Mahalo,
Camilla Dulac

Proposed Amendment

Article II, Section 1: Membership and Voting Rights

Change: Board members may not vote by proxy

From: C. MGS authorized agent(s) - A MGS may authorize one other person to represent their interests including their right to vote and serve as a Director by submitting to the KSEC Clerk a notarized document that contains All of the following:

1. Owner of Record's printed name, and signature and contact information.
2. Tax Map Key (TMK) number of KSE parcel verified by the County of Hawaii Real Property Tax Office records.
3. Name of designated agent and contact information.
4. Length of time and purpose for which the authorization is given.

To: C. A MGS may authorize one other person to vote that MGS ballot in person at the AGM meeting by submitting to the KSECA Clerk a notarized document prior to the meeting provided the notarized document contains All of the following:

1. Owner of Record's printed name, and signature and contact information.
2. Tax Map Key (TMK) number of KSE parcel verified by the County of Hawaii Real Property Tax Office records.
3. Name of designated agent and contact information.
4. Length of time and purpose for which the authorization is given.

Underlines and Strike-through to track changes: C. ~~MGS authorized agent(s)~~ - A MGS may authorize one other person to vote that MGS ballot in person at the AGM meeting ~~represent their interests including their right to vote and serve as a Director by submitting to the KSECA Clerk a notarized document prior to the meeting provided the notarized document~~ that contains All of the following:

1. Owner of Record's printed name, and signature and contact information.
2. Tax Map Key (TMK) number of KSE parcel verified by the County of Hawaii Real Property Tax Office records.
3. Name of designated agent and contact information.
4. Length of time and purpose for which the authorization is given.

Rationale: Proxy voting by Board members is widely considered poor governance. Non-owners, aka proxy holders, have no vested interest and therefore should not be allowed to sit on the Board of Directors and make decisions about other people's property. Owners elect Board members not non-owners with proxies.
